COMM 5 PETITION FOR VARIANCE INFORMATION AND INSTRUCTIONS

In instances where exact compliance with a particular code requirement cannot be met or alternative designs are desired, the Division has a petition for variance program where it reviews and considers acceptance of alternatives which are not in strict conformance with the letter of the code, but which meet the intent of the code. **A variance is not a waiver from a code requirement.** The petitioner must **provide an equivalency which meets the intent** of the code section petitioned to obtain a variance. Documentation of the rationale for the equivalency is requested below. Failure to provide adequate information may delay your petition. If the proposed equivalency does not adequately meet the intent of the code, the variance will be denied. It should be noted that **a petition for variance does not take the place of any required applications, renewals, or fees.**

A copy of COMM 5 may be obtained from Document Sales, 608-266-3358 or 1-800-362-7253. Or, it can be found on our website at <http://commerce.wi.gov/SB/SB-DivCodesListing.html>
